Batavia, OH 45103**

The Wasserman Youth and Adolescent Center is part of the Behavioral Health division of Child Focus, Inc. We are a Partial Hospitalization/Day Treatment program serving children and adolescents ages 8 to 18.

Our goal is to help children with mental health needs to succeed and thrive in a structured setting where they will receive 20 hours of behavioral health group treatment each week. We strive to help them learn and use coping strategies to manage their mood and behavior in ways that will help them achieve their goals.

Call Marilyn Robinson or Cathy Krieg at 732-8800 for more information. Business Hours are M-F, 8:00am-4:30pm.
